High-end acrylic front panel

Touch-free sensor activation

Hot water safety select

Color-changing indicator for precise dispensing of hot and cold water

Internal purification system, easily accessible via side panel

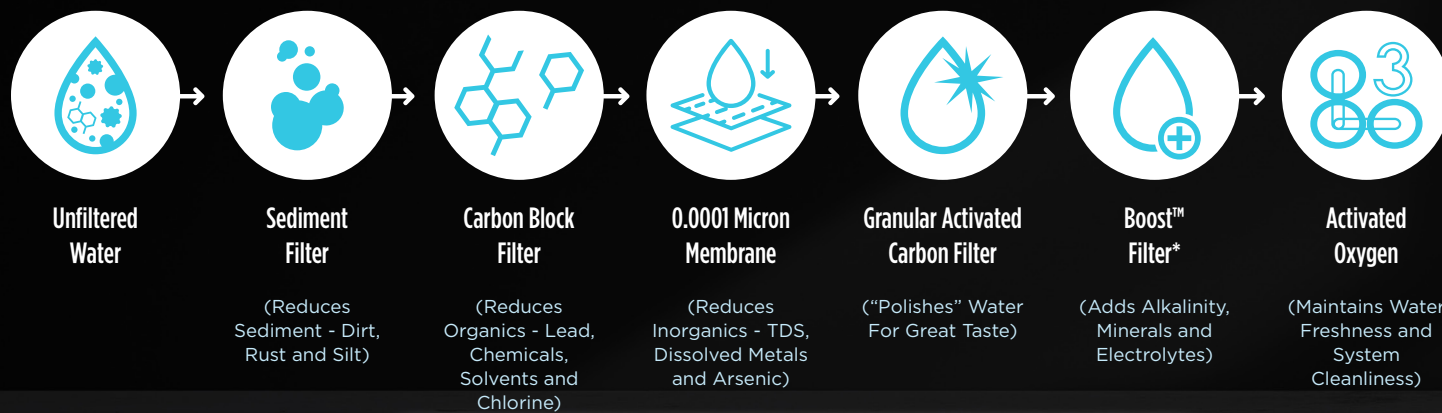

- ▶ **Weight**
46.3 lb (21 kg)
- ▶ **Dimensions**
17.8" H x 11.7" W x 19.5" L
(297.2 mm H x 452.1 mm W x 495.3 mm L)
- ▶ **Cold Tank Capacity**
1 gallon
(3.8 liters)
- ▶ **Hot Tank Capacity**
0.5 gallons
(1.9 liters)
- ▶ **Dispense Area**
10.7" tall (271.7 mm)
- ▶ **Recommended Water Pressure**
60-70 PSI
- ▶ **Rated Voltage/Frequency**
120v/60hz |
220v/50hz
- ▶ **Power Consumption**
1.6Wh/24hours

PW90-R-CT

Touchless Water Purification System

→ The Pure Water Technology Purification Process

*Optional feature

PW90-R-CT: Touchless Water Purification System

Advanced Purification Technology

Proprietary, multi-stage, reverse osmosis process is certified to industry standards.

Compact Design

Fits easily on standard counter-tops and underneath standard cabinets.

Touchless Sensor Activation

Hygienic, touch-free operation.

24/7 System Monitoring

Continuous monitoring of system performance and water quality with real-time status displayed on LCD screen and bluetooth compatible service app.

Anti-Microbial Surface

Anti-microbial additive maintains cleanliness of unit exterior.

Easy-Access Internal Purification System

Five full-size filters and membranes fit inside and are easily accessible via a side panel for fast installation and easy maintenance.
